Mary's Words

The Advisory Council and I are gearing up for a new year. Our theme for this year is REV Up OEA-R. REV stands for relevant, engaged and visible. We want all our activities to be relevant to the needs of our members. We are striving to get more members engaged, and we hope to be more visible within OEA.

Our members are already involved in Campaign 22 by serving on district screening committees and working on various candidates' campaigns. We will be asking many more members to become involved later on with postcards, phone banks, and HUSTLE texting. We all know that elections are important to the future of public education. Please contact Mary Binegar if you would like to volunteer for any of these political activities.

We hope many of you will join us at the Fall OEA-R Conference in Columbus on Sept 6. Also please be sure to go to our website to get the Candidacy forms for OEA-R delegates to the OEA Representative Assembly. There are also Candidacy forms available for the open positions on the Advisory Council for ESP, Higher Ed, and Capital representatives. These forms are due back to OEA by Sept 20, 2022.

Please find a way to become engaged in our campaign to REV Up OEA-R!

OEA-Retired Updating Membership Files

Thank you for your continued interest in OEA-Retired. Current membership information is essential. If you need to update your contact information please use the OEA Membership Update Form: <https://www.ohea.org/member-center/member-update-form/>

The OEA-R mailing list and e-mail listserv are not shared with any other entity.

If you are aware of colleagues who are not OEA-R members or active members who have not "pre-retired," remind them that lifetime dues are \$450.00; OEA-R dues \$150.00, and NEA-R dues \$300.00. A new payment plan is now available for active members who wish to obtain a pre-retired lifetime membership.

CONTRIBUTE TO THE OEA FUND

Most of us are familiar with EPAC and FCPE as names of funds for political action contributions. But now the name will simply be "The OEA Fund".

Ballots for retired delegates to the 2022-23 OEA RAs and for the open positions on the OEA-Retired Advisory Council should be arriving in early October.
