PROGRAM DETAILS:

- Transactions process from a bank account or credit card on the 15th of each month for a total of 17 transactions beginning April 2025. Should the 15th fall on a weekend or Holiday the transaction will occur on the next available business day.
- The member's total dues obligation is divided by the total number of transactions and the resulting amount is deducted from the chosen account on each transaction date.
- Transactions not completed due to Non-Sufficient Funds will receive a second transaction attempt within 7 business days prior to being rejected as non-payment. Should a transaction fail for any other reason the member must contact OEA to make any necessary updates and authorize payment of the missed transaction.
- By enrolling in the payment plan the member authorizes the payment transactions, agrees to the processing procedures and accepts accountability for the full dues obligation. OEA dues obligation requires full payment completed by end of the current membership year (August). All rejected or failed transactions are part of the total dues obligation of the member.
- Upon completion of the initial enrollment process the member will receive an email confirmation of the enrollment information. The member should retain this information for their records.
- The individual member will receive email notifications any time a transaction fails for any reason.
- To make any account changes or necessary edits, please contact InfoEA at 1-844-632-4636.

By signing below, I authorize the monthly payment transactions from the account provided, agree to the program details and accept accountability for the full unified OEA/NEA Pre-Retired dues obligation currently in effect at the time of signing. The OEA/NEA Pre-Retired dues obligation is transacted via monthly transactions beginning April 2025 and ending August 2026 for a maximum of 17 payment transactions. The number of payment transactions available will be determined by the date of processing the enrollment form. It is possible an individual will have fewer than 17 total transactions depending upon the date of enrollment. All rejected or failed transactions are part of the total dues obligation of the member. **I understand that the transactions begin immediately upon OEA's processing of this form for a total obligation amount of \$450.00.**
